“All is well when you get the Best”

About Our Company

We are a premier hardware product manufacturing company dedicated to designing, engineering, and delivering high-quality architectural and industrial solutions. With years of expertise in precision manufacturing, we specialize in high-grade products built to with stand the test of time. Our product portfolio includes premium door handles, cabinet handles, sliding handles, drawer knobs and kadi. Every item is crafted using state-of-the-art, advanced polishing, and durable coating technologies to ensure exceptional finish and strength.

We pride ourselves on offering a wide variety of aesthetics—ranging from modern minimalist designs to classic luxury finishes like gold, rose gold, chrome, satin, cola, chocolate, cubic, black and antique brass. Beyond standard product catalogue lines, we collaborate closely with architects, interior designers, trade distributors and provide customized hardware solutions tailored to specific project requirements.

Our mission is to combine functional excellence with elegant design, elevating residential, commercial and industrial spaces worldwide. By integrating sustainable manufacturing processes, efficient logistics and robust customer support, we ensure seamless delivery and absolute peace of mind for our partners. We continue to innovate continuously to set new industry standards in design, durability, and craftsmanship.

Why Choose Us

Superior Quality : Stringent quality control measures at every stage of production ensure flawless finish and long-lasting durability.

Custom Display Solutions : Tailor-made display stands and packaging designed to maximize visual appeal and sales impact for retail partners.

Innovative Engineering : Modern manufacturing processes designed to meet precise architectural and client specifications.

Client-Centric Approach : Dedicated to building strong, long-term partnerships through competitive pricing, on-time delivery, and reliable customer support.

At Sky Take, we don't just manufacture hardware—we craft solutions that showcase strength, precision, and elegance.
